Treasurer's Report

Ended the year with both a significantly positive balance, and a practically non-existent loss. In other words, we broke even. This is due to low venue rental expenses from using on-campus facilities, and Shimmy making a small profit this year.

However, if the report includes operations to April 6th, we would have posted a \$4,469 deficit. This is partially due to expenses from the year like rent, and teacher/dj compensation being paid out after the end of the fiscal year. The majority is due to the deposit paid for a harbour dance with a live band on the Harbour Queen to be held this summer.

Report overview:

Net Assets	\$26,269.38
Total Income	\$29,350.37
Total Operating Expenses	\$27,283.88
Net Profit	\$2,076.49
